# WINTER WOODLAND

Wer träumt nicht in der Weihnachtszeit von einem idyllisch eingeschnittenen Winterwald mit heimischen Waldtieren? Warme Beige-, Braun- und Rottöne sowie Waldgrün tragen als gekonnt gesetzte Akzente zu einem stimmigen Gesamtbild bei. Waldmotive, Naturmaterialien und natürliche Farben, verwandeln unsere vier Wände in eine friedliche Atmosphäre, in der wir den wohligen Duft des Waldes fast zu riechen scheinen.

Who doesn't dream of an idyllic snow-covered winter forest with native forest animals during the Christmas season? Warm beige, brown and shades of red as well as forest green contribute as skilfully set accents to a harmonious overall picture. Forest motifs, natural materials and natural colours transform our home into a peaceful atmosphere in which we almost seem to smell the pleasant scent of the forest.

# Timeless Twist

Auf Traditionen legen wir besonders zu Weihnachten großen Wert, sie erinnern uns an unsere Kindheit und unsere Wurzeln. Deshalb gehört die klassische Farbkombination Tannengrün, Rot und Gold einfach dazu. Auch bei den Formen und Mustern sind traditionelle Elemente wichtig. Aufgefrischt durch dunkles Blau und Schottenkaro erhält das Farbthema einen englischen Charakter. So wie sich alte Bräuche und moderne Interpretationen vermischen so verschmelzen traditionelle Farben, Formen und Muster mit modernen Elementen.

We attach great importance to traditions, especially at Christmas, which remind us of our childhood and our roots. That's why the classic colour combination of fir green, red and gold simply belongs to it. Traditional elements are also important when it comes to shapes and patterns. Refreshed by dark blue and tartan check, the colour theme takes on an English character. Just as old customs and modern interpretations mix, traditional colours, shapes and patterns merge with modern elements.

# NOUVEAU ART

Ein stilvoll geschmückter Christbaum, liebevoll verpackte Geschenke und ein festlich gedeckter Tisch gehören zum Weihnachtsfest dazu. Edle dunkle Farben verbreiten gerade zur Weihnachtszeit eine elegante, ja magische Stimmung. Ein dunkles Mitternachtsblau erinnert an den funkelnden Sternenhimmel, gleichzeitig bringen die Farben Gold und Violett Wärme in dieses Farbthema. Die Kombination aus Schwarz, Gold und Silber schenkt jedem Wohnzimmer ein bisschen Glamour. Art Déco Muster geben den Farben und Formen einen gemeinsamen Nenner.

A stylishly decorated Christmas tree, lovingly wrapped gifts and a festively laid table belong to Christmas. Noble dark colours spread an elegant, almost magical mood, especially at Christmas time. A dark midnight blue reminds of the sparkling starry sky, while colours like gold and violet bring warmth to this theme. The combination of black, gold and silver brings a little glamour to any living room. Art Déco patterns give a common denominator to the colours and shapes.

# SILENT HOME

In einer Welt voller Stress und sinnlicher Überfrachtung wollen wir in unserem Zuhause zur Ruhe kommen und entspannen – gerade auch in der besinnlichen Weihnachtszeit. Sanfte Pastell- und reduzierte Beige- und Grautöne sorgen für eine farblich ruhige Basis. Naturmaterialien, helle Farben und winterliche Motive in Verbindung mit grafischer Reduktion machen das Thema modern und zeitgemäß.

In a world full of stress and sensual overload, we want to come to rest and relax in our home – especially during the contemplative Christmas season. Gentle pastel and reduced beige and grey tones provide a calm base in terms of colour. Natural materials, bright colours and wintry motifs combined with graphic reduction make the theme modern and contemporary.

ROMANCE

Tender Rose

Gerade in der kalten Winterzeit sehnen wir uns nach Wärme und positiven Emotionen. Zartes Rosa-Rot und dunkles Weinrot verbreiten eine romantische Stimmung. Flieder und Lindgrün ergänzen modisch die sanfte Farbkombination. Liebliche Farben, niedliche Motive und verspielte Formen erzeugen eine verträumte Atmosphäre.

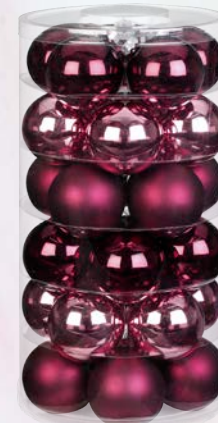

Especially in the cold winter time we long for warmth and positive emotions. Delicate pink-red and dark wine red spread a romantic atmosphere. Lilac and lime green fashionably complement the soft colour combination. Lovely colours, cute motifs and playful shapes create a dreamy atmosphere.

# INSTA XMAS

Weihnachten ist ein Fest der Familie, und auch der jungen Leute und darf daher ein bisschen frech, witzig und humorvoll gefeiert werden. Energetische Farben wie Rot, Blau, Pink und Lila vereinen sich zu einem auffälligen Thema, das sich gegen die Klassiker auflehnt. Schwarz, Weiß und Silber geben den knalligen Farben einen grafisch reduzierten Rahmen. Schlichte Muster lassen die Farben für sich sprechen und außergewöhnliche Motive zeigen Weihnachten von einer anderen Seite.

Christmas is a family festivity, but it's also a celebration for young people and thus can be celebrated a little cheeky, funny and humorous. Energetic colours such as red, blue, pink and purple combine to form a striking theme that rebels against the classics. Black, white and silver give a graphically reduced frame to these bright colours. Simple patterns let the colours speak for themselves and unusual motifs show Christmas from another side.

## JUST WHITE

Weiß im Winter erinnert an Schnee und Eis. Es steht für Reinheit, Stille und Neuanfang. Die Mischung aus verschiedenen Weißtönen ist trotz ihrer Farbreduktion zwar unaufdringlich, durch die helle Strahlkraft trotzdem hervorstechend und auffällig.

Kombinationen: Alle Farben

## JUST WHITE

White in winter reminds us of snow and ice. It stands for purity, silence and a new beginning. Despite their colour reduction, the mixture of different shades of white is unobtrusive, but still striking and eye-catching due to the bright brilliance.

Combinations: All Colours
