MILLE FIORI

Mille Fiori ist ein an sich trendiger Mix, der aber schon fast zum Klassiker geworden ist. Weihnachtliches Rot und Grün bekommen durch Türkis, Cyclam und Orange eine freche Note. Die Basis bei allen Farben ist entweder Rot oder Grün, so dass der Mix zwar bunt ist, aber trotzdem ausgewogen wirkt.

Kombinationen: Der Mix wirkt alleine am besten.

MILLE FIORI

Mille Fiori is a trendy mix in itself, which has, however, almost become a classic. Christmas red and green get a cheeky touch by turquoise, cyclamen and orange.

The basis for all colours is either red or green, so that the mix is colourful, but appears to be still balanced.

Combinations: The mix has the best effect without being combined.

SHINY SILVER

Silber ist zwar edel und elegant, vermittelt aber Kühle. Silberner Glanz passt meist besser zu den Materialien moderner Wohnwelten, die auch eher kühl sind, wie Beton, Stahl und Glas. Kombinationen: Weiß, Schwarz, Blau, Violett, Kühles Grün, Rot.

Passendes Goods-Zubehör finden Sie in unserem Basic-Thema "White Christmas".

SHINY SILVER

Silver is noble and elegant, but it conveys a feeling of coolness. In most cases, silver shiny goes better with the materials of modern living environments which are rather cool as well, e.g. cement, steel and glass. Combinations: White, Black, Blue, Violet, Cool Green, Red.
